

# Download 2004 Chevy Silverado 2500 Owners Manual

The Chevrolet Silverado, and its mechanically identical cousin the GMC Sierra, are a series of full-size and heavy-duty pickup trucks manufactured by General Motors and introduced in 1998 as the successor to the long-running Chevrolet C/K line. The Silverado name was taken from a trim level previously used on its predecessor, the Chevrolet C/K pickup truck from 1975 through 1998. Pair the available Duramax 6.6L Turbo-Diesel V8 – offering 445 horsepower † and an earthshaking 910 lb.-ft. of torque – with the Allison transmission and Silverado 2500 HD can handle the job without breaking a sweat. Looking for best Seat Belt for your Chevy Silverado 2500 HD? Find great deals on AutoPartsWarehouse, get free shipping over \$50. Hey just wondering if anyone knows where I could find a free manual for my 1998 silverado so I could learn a little more about my truck lol . I am curious about the engine and all of the electronics in it.
