

Download Cases And Materials On International Law

Institute of International Commercial Law The Institute of International Commercial Law is a center for research on the United Nations Convention on Contracts for the International Sale of Goods (CISG), which governs the commercial transactio...Explore our map of 50 landmark human rights cases, each with a brief description and a link to a free article or report on the case. The cases were chosen in conjunction with the editors of the Oxford Reports on International Law. These choices were intended to showcase the variety of international, regional, and national mechanisms and fora for adjudicating human rights claims, and the range of ... This important aspect of the international internet law may be the most sparse. Countries are hesitant to define criminal activities on the web in part because it is still unclear what a cybercrime is, but also in part because states cannot agree on uniform traditional crimes. The selected documents provided herein are for information only and are not to be considered as ICTY official records. Contempt cases can be found on a separate page.. Research into further materials can be conducted using the ICTY Court Records.
