Logical Increments solves the biggest problem of building a PC: Knowing which parts to pick and making sure they're all 100% compatible. Black Friday has come and gone, and the shopping madness has abated... or has it? Well, computer enthusiasts know that for PC parts, a second round of deals is available on Cyber Monday, the Monday immediately following Black Friday. This year's Cyber Monday has some spectacular deals, many of them even better than the Black [...] Newegg's 2017 Cyber Monday Power Supply deals! PSU quality is of paramount importance to PC health, yet most people buy cheap PSUs. Despite our repeated warnings that cheap PSUs explode (yes, kaboom!) or frizzle out in a year or two, people still insist on frying their PCs with cheap PSUs. Well, except YOU, well-informed reader!
